STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 11/20/2022 while exercising my duties as a law enforcement officer in the _____ District of _____ OR

I state that on 20 November 2022, while exercising my duties as a law enforcement officer in the Judicial District of Oregon, Mt Hood National Forest, Barlow Ranger District, I was patrolling the NFS 48rd when I observed a small pick-up truck traveling in the opposite direction with a load of firewood in the bed of the truck. I decided to turn around and follow the pick-up truck in order to observe a firewood load ticket required by the firewood permit. By the time I turned around, the driver of the pickup had already pulled over and both occupants were outside of the vehicle. I pulled over behind them and exited my patrol vehicle to talk to the pair. I asked them if they had a firewood permit in their possession, which they did, but they were not following the conditions of the permit by using a vehicle other than what was listed on the permit, not tagging their firewood load while transporting, and failing to annotate their quantity removal record. The permit holder was the defendant, FRSCHMAN, Patricia L. of Tygh Valley, OR. The driver of the vehicle was also FRSCHMAN, who had a valid driver's license, but when I ran the Toyota pick-up's Oregon license plate, I learned that the vehicle lacked valid and current insurance and the registration had been expired since 2017 despite displaying a 2023 sticker. When I asked the defendant and her male passenger about the discrepancy, they admitted that the vehicle was their son's and they realized the stickers were intended for another vehicle in their family. Therefore, I issued FRSCHMAN a warning notice for her firewood collection violations (WN# MBEY0VA) and two citations pursuant to 36 CFR 261.54(d) Other Limitations - Violation of State Law - Driving Uninsured (ORS 806.010) and Failure to Renew Vehicle Registration (ORS 803.455). Both FRSCHMAN and her passenger were extremely cooperative and courteous throughout the contact.

The foregoing statement is based upon:
